On the 17/8/2021 we had some of our year 7's go to the SAPSASA year 7 basketball carnival, these year 7's were Thien, Malual, Nathan, Duc, Mohammad, Augi, Abulfaze and Mervais. This was held at St Clair Recreation Centre. The

first game was against West Minster and we won easily, the second game against Le Fever didn't go as smoothly but we still won, the third game was against Allanby Gardens, we won, the fourth opponent was Lockleys and it was challenging, but we won and Pooraka ended up the top in our pool. Since we won our pool we had to verse the top of the other pool St Peters Woodlands, they were really good and they had a state player who was extremely good and he was taller than Mr Rodda but Pooraka played really well as a team and managed to secure the win and they stand undefeated and won the championship.

Thank you for being excellent Pooraka School Representatives

## **NAPLAN** - All year 3,5, and 7 students have received their NAPLAN results.

The report families received included literacy assessment in reading, writing and conventions of language and numeracy assessment, that measured student achievement in number and algebra; measurement and geometry; and statistics and probability. As a school we always consider NAPLAN results together with school based assessments and reports to fully understand your child's learning progress. If you have any questions regarding your child's NAPLAN results please see your child's class teacher.

## Week 6—Book Week celebrations

On the 25th of August we had our book week parade. People had to dress up as characters from a book. We read the nominated books throughout the week. There were two categories of books: early childhood picture book category and the other was a picture book of the year.

The winning book of the first category was **No!Never!** and the winning book in the second category was **How to make a bird!!!**.
