2023 Parent Survey

If you're a parent or carer of one of our students, we want to hear from you.

The annual parent survey is now open and aims to get your views on:

- what we're doing well
- where we can improve
- what's important to you as a parent.

Your feedback will inform our school improvement planning.

To complete the survey, follow the unique link emailed to you during the week beginning 31 July or visit the code sent on SeeSaw earlier this week.

The survey takes less than 10 minutes – it closes midnight Sunday 27 August.

Your answers won't identify you or your child.
Only collated feedback will be provided to our school.

Visit the department's website for more information about the survey.
